WORK

HOCKEY OPERATIONS/ANALYTICS 01/2021 to Current

New England Fall Prep Hockey League, Salem, NH

- Created and managed team schedules using a custom excel spreadsheet with various formulas and database references.
- Formed partnership with eliteprospects.com, promoting our players to a wider audience.
- Tracked, managed, and analyzed team and player statistics. Developed an in-depth power ranking system with data visualizations in Tableau.
- Improved our company websites with fully revamped designs using HTML CSS and JS.
- Prioritized efficiency by writing python scripts to manage and govern all player registrations in one place.
- Started an original newsletter to improve engagement on social media and traffic on our websites.

HOCKEY COACH 01/2021 to Current

NEFPHL, Paul Vincent, Top Gun, MA/NH

- Coached ages 4-20
- Focus on student development
- Mentor style teaching
- Communication and public speaking
- Created equal opportunity

EVENT AND WAREHOUSE ASSISTANT 05/2017 to 08/2018

Taylor Rental, Newburyport, MA

- Skilled labor
- Assembled and managed customer products

PROFESSIONAL SUMMARY

Experienced operations manager with a collegiate hockey background as a 3rd-round NHL draft pick. Proven track record in driving program enrollment, creating and managing schedules, and optimizing team/league analytics. Adept at web development and contributing innovative strategies for program refinement. Passionate hockey coach dedicated to guiding high school and college-aged players toward personal and athletic growth. Seeking opportunities in the operational and analytical sectors to leverage my expertise in sports administration, analytics, and athlete development.
